**AMENDMENT**

SIR:

In response to the Office Action dated October 31, 2001, kindly  
amend the application as shown below and reconsider the application in view of  
the following explanations:

**In the Specification:**

Please replace the paragraph beginning on p. 2, line 13, with the  
following paragraph:

al  
--A multipole electrical connector 11, shown in Figures 1 and 2, is part of an  
electric pin-and-socket coupler and is provided for releasable coupling with a  
mating connector 12 as part of an electrical aggregate 13 such as a relay or a  
fuse.--

Attached hereto is a marked-up version of the changes made to the  
specification by the current amendment. The attached pages are captioned  
**"V rsion with markings to show changes made."**
